## Applying for cover

When you apply for your policy, we will confirm with you things such as the period of cover, your premium, what cover options and excesses will apply, and whether any standard terms are to be varied.

These details will be recorded on the **Certificate of Insurance** issued to you.

If we are unable to offer you the cover you seek, it will be because the particular product offered is not designed to cover a particular risk or risks including, but not limited to, some geographical regions, some **pre-existing medical conditions** or some ages. In such a case, if you would like to discuss your options please use the contact details on the back cover of this PDS.

This PDS sets out the cover we are able to provide you with. You need to decide if the benefit limits, type and level of cover are appropriate for you and will cover your potential loss. If you have any queries, want further information about this product or want to confirm a transaction, please use the contact details on the back cover of this PDS.

## About your premium

You will be told the premium payable for your policy when you apply. In calculating the premium, we take into account a number of factors including your destination(s), length of journey, the number of persons and age of persons to be covered under the policy and the plan type you select. The amount of any excess payable, cover for additional options and cover for agreed **pre-existing medical conditions** is also included in the calculation of your premium.

Your total premium reflects the amount we calculate to cover these factors as well as any relevant government charges, taxes or levies (such as stamp duty or GST) in relation to your policy. These amounts are included in the total amount payable by you as shown in your **Certificate of Insurance**.

## Cooling-off period

Even after you have purchased your policy, you have cooling-off rights.

If you decide that you do not want your policy, you may cancel it within 14 days after you are issued your **Certificate of Insurance**. You will be given a full refund of the premium you paid, provided you have not started your journey or you do not want to make a claim or to exercise any other right under your policy.

After this period you can still cancel your policy but we will not refund any part of your premium if you do.

If there is a delay in claim notification, or you do not provide sufficient detail for Allianz Global Assistance to consider your claim, we can reduce any claim payable by the amount of prejudice we have suffered because of the delay.

You must give any information Allianz Global Assistance reasonably asks for to support your claim at your expense, such as but not limited to police reports, valuations, medical reports, original receipts or proof of purchase and ownership. If required they may ask you to provide them with translations into English of any such documents to enable their consideration of your claim.

You must co-operate at all times in relation to providing supporting evidence and such other information that may reasonably be required.

- a] If you think that you may have to cancel your journey or shorten your journey you must tell us as soon as possible. Contact Allianz Global Assistance using the contact number, or if overseas the **24 hour emergency assistance** number, shown on the back cover of this PDS.

- a] Submit full details of any claim in writing within 30 days of your return home.

## Claims are payable in Australian dollars to you

We will pay all claims in Australian dollars. We will pay you unless you tell us to pay someone else. The rate of currency exchange that will apply is the rate at the time you incurred the expense.

Payment will be made by direct credit to an Australian bank account nominated by you.

## You must not admit fault or liability

You must not admit that you are at fault, for any accident, incident or event causing a claim under your policy, and you must not offer or promise to pay any money, or become involved in legal action, without the approval of Allianz Global Assistance.

## You must help us to recover any money we have paid

If we have a claim against someone in relation to the money we have to pay or we have paid under your policy, you must do everything you can to help us do that in legal proceedings. If you are aware of any third party that you or we may recover money from, you must inform us of such third party.

## If you can claim from anyone else, we will only make up the difference

If you can make a claim against someone in relation to a loss or expense covered under this policy and they do not pay you the full amount of your claim, we will make up the difference. You must claim from them first.

## Other insurance

If any loss, damage or liability covered under this policy is covered by another insurance policy, you must give us details. If you make a claim under one insurance policy and you are paid the full amount of your claim, you cannot make a claim under the other policy. If you make a claim under another insurance policy and you are not paid the full amount of your claim, we will make up the difference, up to the amount this policy covers you for, provided your claim is covered by this policy. We may seek contribution to amounts we have paid, or must pay, from your other Insurer. You must give us any information we reasonably ask for to help us make a claim from your other Insurer.

## Subrogation

We may, at our discretion undertake in your name and on your behalf, control and settlement of proceedings for our own benefit in your name to recover compensation or secure indemnity from any party in respect of anything covered by this policy. You are to assist and permit to be done, everything required by us for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled or subrogated, upon us paying your claim under this policy regardless of whether we have yet paid your claim and whether or not the amount we pay you is less than full compensation for your loss. These rights exist regardless of whether your claim is paid under a non-indemnity or an indemnity clause of this policy.

## Recovery

We will apply any money we recover from someone else under a right of subrogation in the following order:

1. To us, our costs (administration and legal) arising from the recovery.
2. To us, an amount equal to the amount that we paid to you under your policy.
3. To you, your uninsured loss (less your excess).
4. To you, your excess.

Once we pay your total loss we will keep all money left over.

If we have paid your total loss and you receive a payment from someone else for that loss or damage, you must pay us the amount of that payment up to the amount of the claim we paid you.

If we pay you for lost or damaged property and you later recover the property or it is replaced by a third party, you must pay us the amount of the claim we paid you.

## How GST may affect your claim

If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

If you are entitled to claim an input tax credit in respect of your premium you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may have a liability for GST if we pay you an amount under your policy.
